ADDITIONAL TERMS OF STALLION SERVICE APPLICATION AND BOARDING CONTRACT

As the Owner/Lessee of the mare, or the Owner's agent, I hereby agree to breed the mare named on this Application to your stallion subject to the following terms and conditions:

1. Mare owner/lessee agrees that said mare to be bred shall be healthy and in sound breeding condition. Kendal Hills Equine Inc. reserves the right to conduct any tests for breeding soundness, at owner's expense, prior to breeding the mare, and to cancel this agreement if the findings are not consistent with the information supplied in this application or by the owner.
2. Service fee is due and payable when mare has live foal or changes ownership, whichever comes first. A live foal is one that is able to stand up alone and nurse. Should the mare fail to produce a live foal, mare owner agrees to send Kendal Hills Equine Inc. a veterinary certificate to that effect within five days of the loss of the foal in lieu of the service fee. The Federal 13% Harmonized Sales Tax will be applicable to service fees and all boarding charges, and will be added to all invoices.
3. This contract shall not be assigned nor transferred, and in the event said mare is sold the service fee, if unpaid, shall immediately become due and payable. Should the mare subsequently fail to produce a live foal, there will be no refund or right of free return to the stallion.
4. It is further agreed that should the stallion die or become unfit for service before serving the mare, or become unfit to be bred, then this contract is and shall be null and void.
5. Kendal Hills Equine Inc. shall not be liable nor responsible in any manner for any disease, accident or injury to the mare or its foal, and mare owner acknowledges that the animal will be on Kendal Hills Equine's premises entirely at mare owner's risk, and mare owner shall not be responsible nor liable for any disease, accident or injury to the stallion.
6. Mare owners/lessee using transported semen agrees to pay promptly **EVEN IF THE MARE DOES NOT CONCEIVE**. Credit Card Number must be on file or send a deposit of \$250.00 (maximum) PRIOR to requesting semen.
7. Kendal Hills Equine Inc. may refuse or cancel the service of shipped semen if one or more of the following is evident: a) The mare owner is not taking the necessary steps to inseminate the mare PROMPTLY; b) The mare owner is being negligent in the area of testing or veterinary attention, including regular palpations and early pregnancy exams; c) The mare appears to be infertile; d) The mare owner has an unpaid account.
8. There will be a \$50.00 prepping and packaging charge per dose of semen reserved for your mare, regardless of how it will be picked-up and/or transported. Under no circumstances will a dose of semen be reserved for your mare if an equine vet has not palpated her in her current cycle. Regular runs have been set up to Pearson Airport and to Bax Stables (Campbellville, ON) for the convenience of mare owners. We will also deliver to your farm/meeting location at the price of \$1/km (one way). We will make every effort to satisfy all delivery customers provided arrangements are made well in advance of the date required.
9. All accounts for board bills, service fees, if due, overdue interest, and expenditures made on behalf of the mare or her foal will be settled **upon receipt of duly rendered statements**, and in any event, **BEFORE THE MARE IS REMOVED FROM THE FARM**. Kendal Hills Equine Inc. may at their discretion, refuse release of the mare (and foal) until the accounts are settled. A service charge of 2% per month (24% per annum) will be charged on all accounts unpaid after 30 days. The boarding charges together with the stud fee herein shall be a lien upon the animal in the event of non-payment. In the event that legal assistance should be required in order to collect service fees and/or board bills the legal charges incurred by Kendal Hills Equine Inc. must be borne by the customer.
10. The board rate for mares will be \$18.00 per day (\$6.50 per day extra for a nursing foal).
11. All mares must have proof of a **NEGATIVE COGGINS TEST** for equine infectious anemia dated no earlier than 12 months prior to the date of her arrival at the farm. A certificate to this effect **MUST ACCOMPANY THE MARE** upon her arrival at the farm. If a twelve-month period expires during her stay at the farm, Kendal Hills Equine Inc. reserves the right to retest her at any time at owner's expense. The mare must be vaccinated against Rhinopneumonitis, Tetanus, and Rabies prior to arrival. The farm reserves the right to vaccinate mares that arrive without vaccination documentation.
12. Kendal Hills Equine Inc. is authorized, without liability and in its sole discretion to engage veterinary service, trim feet, de-worm, vaccinate, administer feed supplements, conduct veterinary examinations or do any other work on my mare or foal deemed by Kendal Hills Equine as contributory to their general or reproductive health or appearance, with charges for such services to be billed monthly. Mare owner agrees to pay all such charges, plus board charges, **upon receipt of duly rendered statements**.
13. Kendal Hills Equine Inc. will not issue mating certificates to mare owners with unpaid accounts.
